

Rotary is an international membership organization made up of people who share a passion for, and commitment to, enhancing communities and improving lives across the world. Rotary clubs exist in almost every country. Our members change lives locally and connect with other clubs to work on international projects that address today's most pressing challenges. Being a member is an opportunity to take action and make a difference, and it brings personal rewards and lifelong friendships in the process.

The Auburn-Lewiston Rotary Breakfast Club is very active in service projects in the L/A community including serving Thanksgiving dinner at the Boys & Girls Club, providing plants and watering at Heritage Park, planting trees on the shore of Lake Auburn, hosting blood drives, packing meals for Meals on Wheels, and many other service projects. We also have 2 major fundraisers each year- a golf tournament in June and Bicycle Criterium in August. In 2017, the Lewiston-Auburn Rotary Breakfast Club surpassed the \$500,000.00 donation plateau by giving to more than 160 charitable organizations over the past 25 years.
